Our Vision & Values: A leading organisation that collaborates & innovates

We are committed to **safety**

We work as one **team**

We act with **integrity**

We care about our **customers**

We **continuously improve**

Primary purpose of position

The Strategic Planner's focus is to help create a beautiful and liveable city that our community loves. The Strategic Planner works on assessing major development applications and both Council and applicant initiated planning proposals (rezoning applications), contributes to the development of planning and design policy, prepares site-specific Development Control Plans and Planning Agreements associated with planning proposals.

Communication with internal and external stakeholders, management of specialist consultants for advice, and preparing advice to Council and its Local Planning Panel are also key aspects of the role.

Accountabilities

- Assess planning proposals and provide advice to Council about whether or not to proceed.
- Assist with the preparation and negotiation of Planning Agreements with applicants on behalf of Council for the best possible outcomes for betterment of Council and our community.
- Work on a range of planning and design projects and activities, including Development Control Plans, to develop, implement and review Council's planning policies, land use strategies, and planning instruments.
- Prepare and progress Council initiated planning proposals.
- Prepare and implement project plans to work as part of a multi-disciplinary team of Council staff to deliver projects.
- Prepare consultant briefs and work with consultants of various disciplines to inform decision making.
- Improve Council's processes and systems as they relate to planning proposals, urban planning and other related development matters.
- Consult with internal and external stakeholders about key projects.
- Prepare submissions on State and Local Government policy initiatives and district, regional and metropolitan scale infrastructure projects and State Significant Development, using strategic thinking and evidence based analysis and research.

- Plan and participate in community engagement activities for relevant projects.
- Implement safe work practices and manage work health and safety risks.
- Review accuract of Section 10.7 Planning Certificates beofre they are issued by Council.
- General correspondence and any other task as required.
